Dated 25/11/2016

STABILITY CERTIFICATE

Certified that I have personally inspected the site of School Building of Senior Block Double Storey & Junior Block Triple Storey of HOME ACADEMY CHILDRENS HOME at Bhogpur Pargana Eastern Doon Distt. Dehradun on dated 24-11-2016 and noticed that the both Blocks are in very good condition and having in very strong and sound conditions. The Senior Block constructed in 1977 & 78 and Junior Block is constructed in 1989 property.

The Senior Block wall 9" thick & providing 18"x18" pillars by cement mortar and the R.C.C. Beam at 7' Height on the level of Doors and windows G/F & F/F. The Roofing is R.C.C. Roofing at G/F & F/F both. And the all Doors & Windows are in very good conditions.

The Junior Block is lower level Floor G/F & F/F constructed with R.C.C. Columns & Beams. Tie Beams & Plinth & R.C.C. Beams in all class rooms provided properly strong and sound. The all doors & windows are in very good conditions.

The both blocks are maintain time to time and having in strong in good condition.

In my opinion that the both blocks are in very good condition and sound and good for further education purpose continue.
